

Congress has gotten nowhere on
IMMIGRATION REFORM.

To make our system better,
THE PRESIDENT NEEDS TO ACT.

↓
Stop

targeting people who have only immigration violations.

↓
Save

taxpayer money by using alternatives to detention.

↓
Expand

Deferred Action beyond Childhood Arrivals (DACA) to include other individuals with close ties to the U.S.

↓
Create

better pathways for entrepreneurs to do business here.

We need President Obama to do the right thing for our communities, our economy, and our nation.
